Basic Human Rights of Foreign National Prisoners

1. This page contains a list of references to various international human rights instruments, including the Universal Declaration of Human Rights (UDHR), the International Covenant on Civil and Political Rights (ICCPR), and the European Convention on Human Rights (ECHR).

2. The text relates to the rights of foreign national prisoners in prison facilities, highlighting the importance of upholding international human rights standards.

3. The page includes a reference to www.prisonwatch.org, an organization dedicated to monitoring and reporting on the conditions of prisoners worldwide.

4. The text emphasizes the need for transparent and accountable systems to ensure that foreign national prisoners are treated fairly and humanely.

5. The page concludes with a call to action, urging the international community to support and implement these human rights standards in all prison settings.
